

Are You Tired?

We all wind down after awhile, too tired to do another thing. We try to accomplish the important things when we are alert, and at our best. I have tried to study or write at night, but for me, it just doesn't work. My mind is too tired for that kind of work. When I need to be creative, God provides special ideas in the morning, most often. I believe the Lord wants us to come to Him early, before our mind gets too full. He wants to show us His will when we are at our best.

Being tired really hinders our communication with God. We must plan our time with Him. Isn't it good to know that Jesus never gets tired? Whenever we need to talk to Him, He is always alert.

"Behold, He that keepeth Israel shall neither slumber nor sleep." Psalm 121:3

Jesus will be there for you, night and day. He gives us special energy, even when we're tired and without strength.

As a mother, remember your personal counselor, Jesus Christ is available to you at a moment's notice. Call upon Him often. We have no excuse to live a miserable life of discontentment.

The Lord, Jesus Christ can renew our strength, like eagles. He can fill us with His power to accomplish any job a mom must do. Make a "call" to God for the best solutions, then be willing to carry out His plan, faithfully, consistently,

"Call unto Me and I will answer thee, and show thee great and mighty things, which thou knowest not." Jeremiah 33:3
